Summary

Dedicated Informatics student and innovative Junior Web Developer with hands-on experience in full-stack development, cloud infrastructure, and AI integration. Proficient in modern frameworks (ReactJS, NextJS, Laravel) and robust database management (MySQL, MongoDB), adept at deploying scalable web applications across major cloud platforms (AWS, Azure, GCP). Proven ability to build user-centric solutions, ranging from academic information systems to AI-driven tools like a sign language translator.

Education

Satya Terra Bhinneka University

Bachelor's Degree

Informatics
